[1] After the 1993 fall election, board terms began in January 1994. Lots drawn to assign 5 members each to 1.5-, 2.5-, and 3.5-year terms, to achieve a 3-year term beginning/ending with the July board meetings (hence the references to both months in the list of terms of office).

[2] Term of 2.5 years ends; new President's term begins at July 1995 board meeting.

[3] Appointed by the President, January 1994. There were only 11 candidates for the Fall 1993 election, so the remaining four slots were to be filled by one-year appointees. Only three appointments were made.

[4] Terms to begin in July 1995 (results of Spring 1995 election); only four candidates presented themselves, therefore they win by acclamation, and a fifth must be named by the new President at the July 1995 board meeting.

[5] Previous term: Jan 1994 – Jul 1995.

[6] Appointed members serve only until the next scheduled election, which will take place in one year.
